## **Williamson Road from IL 4 to Macoupin County line in Madison County**

**Williamson** – The Illinois Department of Transportation today announced that Williamson Road between IL 4 and the Macoupin County line will be intermittently restricted to one lane during daylight hours, beginning Thursday, July 20, 2017, weather permitting. Two-way traffic will be maintained by the use of flaggers. This work is required so a new bituminous overlay can be built and is expected to be completed by the middle of the August of this year.

The Department advises the travelling public to follow all construction signs and drive with caution through the work zones.

The contractor on this project is The Kilian Corporation of Mascoutah, IL.

Follow our [Twitter](#) page to find details on other construction projects in IDOT's District 8. Updates on the impacts to traffic are available at <http://stl-traffic.org>.
